LA NAVA

TIERRA CALMA
EL ALMA DE LA TIERRA

The vineyards of **TIERRA CALMA** are nestled in **SAN MARTÍN DE VALDEIGLESIAS, MADRID,** at the foothills of the **SIERRA DE GREDOS**, in the enclave known as LA NAVA. The uniqueness of the ECOLOGICAL vineyard from which it originates highlights the presence of granite rock in various forms and compositions across the 2.5 hectares of vineyards, resulting in poor soils that allow us to produce an average of only 1 bottle per vine. A wine of high expression, elegant, with great structure and complexity.
